

TERMS AND CONDITIONS

UPDATED FEBRUARY 2024

Payment:

1. Class Fees can be paid by weekly layby payments (by giving the teacher cash at the *start* of each lesson) OR the full Term Fee can be paid via invoice request (message the Reflexions Facebook page to request an invoice to pay full amount via bank transfer).

Weekly Layby Payers: If you are absent one week, you will need to pay double the following week to stay up to date with payments and to get Term Fee paid off in time.

Term Fees need to be paid off by Exam Week in order to be able to do exams/receive trophy.

If a Weekly Payer gets more than 3 weeks behind in payments, they will be asked to sit out of class until they get up to date with payments.

Term Fee Payers: This payment method works out to be the cheapest option. An Invoice Request Form is to be filled out by the end of Week 1. A 'Late Invoice Request Fee' is charged if you are requesting one after Week 2. It is necessary to fill out an Invoice Request Form each term (even if you are a regular). The Cheaper Upfront price expires if payment is not received by the end of Week 4.

If you have requested an invoice for Term Fee payment, it is to be paid via bank transfer ONLY, please do not switch to bringing cash to teacher.

Customers that have more than 4 Term Fees to pay can get an extension till Week 8 at the Cheaper Upfront Price, to pay any additional Term Fees (provided that the first 4 Term fees have been paid by Week 4).

2. Term Fees are non-refundable unless the student cannot complete the term due to a medical condition. In this case, a refund will be given for the remaining lessons if a medical certificate is provided. No refunds will be given if withdrawal from class is after Week 14. No refunds for any other reasons.
3. If a Weekly Payer withdraws from class mid-term, payments must be up to date to the week the teacher is notified of withdrawal. So, you must notify your teacher/studio as soon as possible.

Medical Conditions

4. Teachers/Management are to be notified of any new or existing medical conditions that affect a student (the Enrolment Form provides a space to notify the studio of any existing conditions at time of enrolment).

Drop-offs/Pickups

5. Dancers using Studio 1 are to meet teacher at the front door.
Dancers using Studios 2 & 3 are to meet teacher *inside* the back courtyard.
Ulverstone dancers are to meet teacher in the front foyer.

6. Parents are to wait and supervise their children (Juniors - 12 years and under) until the teacher comes and collects them at start of class.

Parents *must* be waiting/standing in the same spot listed in Rule 5, five minutes prior to the end of class for pickup. Teachers will not let students run to cars, cross roads/or driveways, or meet around the corner etc. Parents are responsible for the safe pickup of their children and for being punctual.

Ulverstone pick-up is from the back door for all classes.

Teachers will wait with students until parents pick them up from these spots, but Late Pickup fees will apply if you are more than 10 minutes late or regularly not there right on time. The teacher may have to take students back up to the studio if not collect in time, so they can continue with their other classes.

7. Junior Students are not permitted to leave class early unless prior parent permission from the parent/guardian has been arranged with the teacher. In this case, the parent needs to pick the student up from *inside* the studio where the teacher can see that they have been collected.
8. Senior Students (13 and over) will not be escorted out/supervised at pickup. The studio must be notified if parents request for a child 13 or over to be supervised.
Please notify studio if a 'Junior Student' that is in a 'Senior Class' requires supervision at pick-up.
